

“A brilliant journey across the dark sea
of the mind; frightening, sensitive, and powerful.
Simply extraordinary.”

Challenger Deep has been a labor of love, the creation of which spanned many years. First and foremost, I'd like to thank my son Brendan for his contributions; my son Jarrod for his amazing book trailers; and my daughters, Joelle and Erin, for their many insights and for being the wonderful human beings they are. My deepest gratitude to my editor, Rosemary Brosnan; associate editor, Jessica MacLeish; and everyone at HarperCollins for the amazing amount of support they have given this book. Thanks also to my assistants Barb Sobel and Jessica Widmer for keeping my life and speaking schedule on track. I'd like to thank to the Orange County Fictionaires for their support and critiques through the years; NAMI, the National Alliance on Mental Illness, for being such a great resource; and finally my friends for always being there through the best and worst of times.

Thank you all! My love for you is bottomless.
