HITCHHIKERS
GUIDE TO THE GALAXY

**DOUGLAS
ADAMS**

**MOSTLY
HARMLESS**

“ADVENTUROUS, WACKY, AND WILD ...

Adams is one of those rare treasures: an author who, one senses, has as much fun writing as one has reading.... Inventive and thoroughly hilarious.”

—*The Arizona Daily Star*

“The universe, the parallel universes, the pasts, the presents, and the futures, indeed the Whole Sort of General Mish Mash is hilariously up for grabs in *Mostly Harmless*.”

—*The Denver Post*

“A winner... The humor is hilarious, the cliff-hangers are cliff-hanging, and overall it’s classic Hitchhiker’s shtick.... For those of you wondering about Elvis’s whereabouts-well, read *Mostly Harmless*.”

—*The Boston Phoenix*

“What’s such fun is how amusing the galaxy looks through Adams’s sardonically silly eyes.”

—*Detroit Free Press*

“[Adams’s] ingenious wit still captivates, and his characters frolic through the galaxy with infectious joy.”

—*Publishers Weekly* (starred review)

Anything that happens, happens.

Anything that, in happening, causes something else to happen,
causes something else to happen.

Anything that, in happening, causes itself to happen again,
happens again.

It doesn't necessarily do it in chronological order, though.
