Oh, the THINKS You Can Think!

by **Dr. Seuss**

Nobody, NOBODY, can think up the THINKS that Dr. Seuss thinks.

This is a book Beginning Readers will love because . . .

They'll find that the sentences are short and easy to read . . .

And the rhymes are catchy and funny . . .

And they'll be able to recognize MOST of the words . . .

And the words they DON'T recognize are the kind of wonderfully silly nonsensical words that only Dr. Seuss can think up.

It's the kind of book that children will love to read – and think about – all by themselves.

You can

think up

some birds.

That's what you can do.

You can think about yellow

or think about blue . . .

You can think about red.
You can think about pink.
You can think up a horse.
Oh, the THINKS you can think!
