David Walliams

This story is set on the Isle of Mulch. The little island is home to some big characters...

Meet **NED**. Ned is a bright and funny boy of eleven. Because his legs haven't worked since he was a baby, Ned uses a wheelchair to **whizz** around Mulch.

JEMIMA is Ned's older sister. Jemima likes nothing more than playing the most horrid tricks on her little brother.

NED'S PARENTS: Dad spends all day on his fishing boat out at sea. Mum spends all day at the island's market selling the fish he catches.
