ACKNOWLEDGEMENTS:

My grateful acknowledgements to the following individuals, who contributed so much of their time, encouragement and enthusiasm to this "tryp": Adam Parfrey, Boyd Rice, Lynette Fromme, Nick Bougas, John Aes-Nihil, Beth Escott, Nuel Emmons, and, for his ever-so-begrudging cooperation, Charles Manson.

—*Nikolas Schreck*

The madness of desire, insane murders, the most unreasonable passions—all are wisdom since they are a part of the order of nature. Everything that morality and religion, everything that a clumsy society has stifled in man, revives in the castle of murders. There man is finally attuned to his own nature....

—Michel Foucault, *Madness and Civilization*

The Piscean Age will be crucified on the Cross of Pluto.

Prediction: Sometime in the future Charles Manson will metamorphose into a major American folk hero.

—Wayne McGuire, *Aquarian Journal*
