HENRY  
KISSINGER

WHITE  
HOUSE  
YEARS

*The First Volume of His Classic Memoirs*

The image shows the front cover of a book. The background is a sepia-toned photograph of Henry Kissinger. He is wearing a dark suit jacket, a light-colored shirt, and a dark tie with diagonal stripes. He is also wearing thick, dark-rimmed glasses and has a serious expression. In the foreground, several microphones are visible, suggesting he is at a press conference or a public event. In the background, to the right, the face of another man is partially visible, but it is out of focus. At the top center of the cover, there is a black rectangular redaction box. The title of the book is printed in white, serif, all-caps font over the photograph. The text is arranged in three lines: 'HENRY' on the first line, 'KISSINGER' on the second line, and 'WHITE HOUSE YEARS' on the third line, with a thin horizontal line separating the second and third lines.
